2022 WARTHOG RENDEVOUS

INDIANAPOLIS INDIANA

MISSION

Our primary goals in becoming a Public Safety motorcycle club are to develop a bond between Law Enforcement Officers, Firefighters and Officers of the court, and to assist Officers and Firefighters in their time of need. We also assist the orphans and widows of those who lost their lives in the line of duty.

We are a non-profit organization that supports "ALL" Public Safety and Military Motorcycle Clubs and will respect the colors they wear. The Warthogs offer with open arms the ability for past Wild Pigs to become Warthogs. We are not affiliated with Harley Davidson or any other motorcycle company. However, in support of American made motorcycles, we require our members to own and operate a V-twin motorcycle manufactured by a North American Owned Company.

Our Colors signify what we, as former Wild Pigs, represent today as a result of the legal battle. The skull signifies a wild pig stripped of his hide (colors) being raised from the ashes of the "War of the Pigs" by the mythical Phoenix (the emblem of immortality), only to reappear as that of a Warthogs skull, a larger, stronger, meaner ass kicking Phacochoerus aethiopicus than the North American wild pig. Above the skull is proudly displayed the Law Enforcement Shield and Star accompanied by the Firefighters cross.
